Hi everyone,

The long awaited part 2 of the church support workshop is finally here. Come, enjoy fellowship, free food and learn and experience how the additional information will help your churches move into a vision of spiritual growth and renewal that can be taken back to your churches.

There will be time during the workshop when George Budine will break up everyone into small groups presenting different situations for everyone to discuss with real solutions that churches can adopt. This workshop will allow more interaction between everyone.

If you have any questions please feel to contact Marsha or Jo Ann

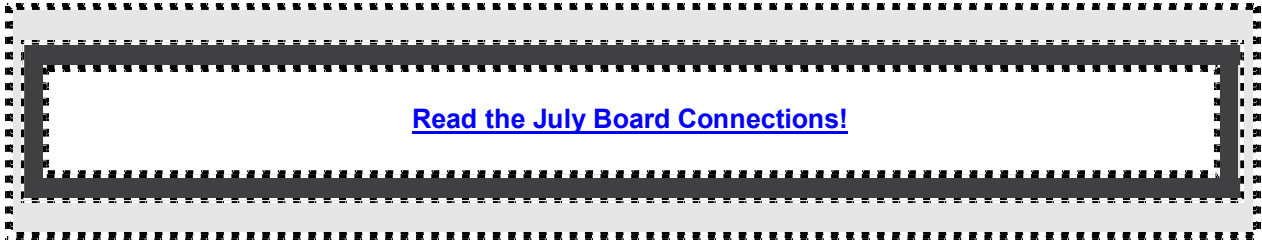

Please let us know no later than July 17, if you and the number of people from your church plan to attend. Also, please let us know if you need a babysitter.

We hope to see you there.
