

Presbytery of Susquehanna Valley
Stated Clerk Report - May 20, 2017

Presbytery Minutes

I participated in the Synod gathering of Stated Clerks at Stony Point last week (April 26-27) and presented Presbytery minutes from 2014, 2015, and 2016 for review and approval. They were approved and will be recommended to the fall Synod Assembly for final approval with exceptions and advice noted. Next Year's review is set for noon-noon April 13-14, 2018 at Stony Point. In my report to the Cabinet and COM I highlighted things from the lengthy Synod Checklist for Presbytery Minutes that need to be tracked so that they are reported and appear in the minutes as a permanent record.

Presbytery Assembly Locations

We now have more invitations than needed to host the Presbytery Assemblies for the rest of 2017. Cabinet will need to sort these out and begin planning for 2018.

Judicial Process

The Permanent Judicial Commission has appointed counsel for the accused as requested at the initial pre-trial hearing. (D-10.0405b.(2) and (D-11.0301, D-11.0302));
